Student Responsibility

I understand that if for any reason I cannot attend the course(s) listed above I must notify my high school teacher and WVU by the first week of classes at my high school. I agree to allow WVU to send verification of my enrollment, midterm grade report, final grade report, and grade point average to my high school. If dual credit is granted for these courses, I recognize these grades may affect my high school GPA.

I affirm that the information I have provided on this application form and all other admissions application materials is complete, accurate, and true to the best of my knowledge. Omitting or providing false information can lead to non-acceptance, the nullification of WVU credit, and/or dismissal.

School Counselor/Principal Permission

- The above mentioned student has my permission to enroll as a HS ACCESS program participant at West Virginia University.
- The student has completed the _____ grade and has earned a cumulative high school grade point average of 3.00 or better. This student's cumulative high school GPA is _____ on a _____ point scale.
- For students enrolling in ENGR 101, I confirm the student has successfully completed or will be concurrently enrolled in college level calculus by the time they will start the ENGR 101 course.
- Students enrolling in Dual Credit Mathematics must achieve a "C" or better in each Math I, Math II and Math III STEM/LA or Algebra I, Geometry, and Algebra II prior to the start of the course. I agree to contact HS ACCESS at (304) 293-9420 if any student falls below this prerequisite.

Parent/Guardian Permission

Coursework taken by students in the HS ACCESS program becomes part of their academic history at WVU. Course credits are permanent college credit. Tuition and textbook costs for the courses in which the student enrolls MUST be paid by the deadline for that term. I have read the above information and am aware of the responsibilities. I give my child permission to enroll as a HS ACCESS participant at West Virginia University for a full academic year.
